Travel to Stockholm

Airport: [Arlanda](#) or [Bromma](#)

Train: [Stockholm Central](#)

Travel to Venue and hotel:

Use the App from Apple [SL](#) or Google Play [SL](#) to find which bus or subway to use.

If you are travelling from Stockholm Central you walk to T-centralen in the same building and use the green line subway (line 19) towards Hässelby Strand, get off at Johannelundsvägen and walk 500 meters or change to the 116 bus at Stop F, one station earlier in Vällingby and get of at Krossgatan

When using the SL app you can use “my place” as the current(from) location and it gives you the closest stop and if travelling to the venue you use Krossgatan(Skattegårdsvägen) as where to go.

The nearest Subway stop for the [Scandic Alvik](#) hotel in the App is Alvik which will give you 200meter of walking to the hotel lobby.

The Stockholm inner-city traffic has a “one card use all” policy so my recommendation is that you buy a [72h card](#) for 260 SEK (\$28, €26) then you can use buses, subway and commuting trains free during that period, single ticket are approx. \$5 and can be bought with the App. The SL tickets can be bought at most of the [stations](#)

Taxi:

Taxi Stockholm +46 8 15 00 00, Price for Arlanda to Venue 552SEK, approx. \$60, €55

Uber is also working
